

Storytelling in the Stars

Learn about traditional Indigenous storytelling practices and uses. Students will create their own creation legend using story dice and then will learn about an Indigenous creation story found within a constellation. After hearing the story, they will make a 3-D diorama of the Indigenous story to take home.

\$5/participant, 2 hours

The following can be added on to Storytelling In The Stars

History Savers - 1 hour 30 minutes

Take an in depth and hands-on look at the people behind the scenes at museums. Encapsulate a photograph, sculpt an artifact, test your memory and design a museum for your classroom!

\$3/participant

Museum Team Work - 45 minutes

Challenge your students to work together while solving problems related to the museum tour- except not one person has all the information!

\$10/class

Layered Paper Painting - 1 hour 30 minutes

Create a beautiful painting to take home inspired by the local landscape and history! Choose from 3 different designs. \$5/participant

Stellarium Show - 30 minutes

In depth talk of the uses of constellations and how to find and use them for survival.

\$25/class

Please see following pages for your grade's curriculum outcomes. To book, fill out the submission form at <https://www.northernrockiesmuseum.com/tours-and-programs>
