

Becoming a Botanist

Learn about the first botanist who travelled through the Hinton area over 200 years ago. Discover his day to day struggles and adventures within the pages of his journal and get hands on training to become a botanist just like him. Activities include: plant dissection, plant part identification, and planting a seed to take home.

\$5/participant, 1 hour 30 minutes

The following can be added on to Becoming a Botanist:

Pedley Pony Race - 30 minutes

Learn about local industry history through the museum's hobby horses, then take the horses on a race through our obstacle course.

\$10/class

Pioneer Life Skills - 1 hour

Become a pioneer for a day! Learn how to make butter, wash and hang clothes to dry and create a pioneer toy to take home.

\$3/participant

Garden Bugs - 45 minutes

Paint rocks to create cute bugs to take home.

\$2/participant

Flower Frame - 30 minutes

Learn about foraging and preserve foraged plants in a frame.

\$3/participant

Water, Water- 30 minutes

Through play in the museum's Water Table, learn about local environments and animals.

\$3/participant *only available after May Long Weekend.*
